Re: Patent No.: US 6,438995 B1  
Date of Patent: August 27, 2002

Dear Examiner:

We have been developing an interest in our patent for several years. In 2002 we were challenged by a law suit in Connecticut by claims that would have diverted our use of the patent. After a long and costly legal experience we finally prevailed. (See Superior Court Case #CV030565856)

Unfortunately, during the exhausting process, we inadvertently allowed our payments to lapse for the maintenance of our status with the Patent Office.

As we have recovered ourselves sufficiently to continue work on developing uses and applications for our patent, we realize we need to re-establish our relationship with USTPO. We have never abandoned our efforts to promote and deploy uses for the patent and herewith submit the appropriate forms and fees to update and reinstate. Enclosed, for your consideration, is the \$400.00 expediting fee.

Obviously, we are sorry for any perceived disrespect to the Patent Office and are hopeful you can accommodate our reinstatement forthwith.

Respectfully submitted,

  
Ronald S. Kuptzin

OR

 Send refund check**WARNING:**

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

## 8. SHOWING

The enclosed statement will show that the delay in timely payment of the maintenance fee was unavoidable since reasonable care was taken to ensure that the maintenance fee would be paid timely and that this petition is being filed promptly after the patentee was notified of, or otherwise became aware of, the expiration of the patent. The statement must enumerate the steps taken to ensure timely payment of the maintenance fee, the date and the manner in which the patentee became aware of the expiration of the patent, and the steps taken to file the petition promptly.

## 9. PETITIONER(S) REQUESTS THAT THE DELAYED PAYMENT OF THE MAINTENANCE FEE BE ACCEPTED AND THE PATENT REINSTATED.
